ADMISSION REQUIREMENT

Canadian University of Bangladesh offers admission round the year. Students are required to fulfill the university admission requirements as per the UGC guidelines. The admission forms and relevant information can be collected from the admission office or from the website of CUB. The admission office is also open on Fridays and Saturdays besides the normal University working hours for convenience of the admission seekers. The specific details are:

UNDER GRADUATE PROGRAMS

Minimum GPA-2.50 both in SSC & HSC (Separately). If anyone has less than 2.50, s/he needs to have 6 points in total for admission.

For student of O- Level & A-Level, one must complete at least 5 Subjects in O-Level & at least 2 Subjects in A-Level. Out of these 7 Subjects, s/he must obtain B Grade or GPA 4.00 in Four Subjects and in rest 3 Subjects Grade C or GPA 3.50.

POST GRADUATE PROGRAMS

Admission into MBA program requires a minimum GPA -2.50 both in SSC & HSC (separately). If anyone obtains less than 2.50, he/she needs to have 6 point total and also requires minimum CGPA 2.00 out of 4 in the Bachelor Degree/ program

Admission into EMBA program requires minimum 2 years of job experience.

INTERNATIONAL STUDENTS

International students seeking admission in CUB must fulfil the admission requirements as method above. Admission will be confirmed after verification of their academic records vis-a-vis equivalent courses of the university. They must provide the following documents:

- ✦ Valid Student Visa
- ✦ Original Transcript & Certificates
- ✦ Financial Statement

ABOUT THE UNIVERSITY

The Canadian University of Bangladesh is confident to fulfill the dreams of ambitious students of Bangladesh through inspiring applied knowledge. It has started the journey in 2016 after obtaining approval from the Bangladesh Government to spread know-ledge that helps to differentiate itself from all the other Universities in Bangladesh. Our aim is to deliver the high quality North American standard tertiary education in South Asia which will open a gateway for our students to pursue higher education worldwide.

We, at the Canadian University of Bangladesh, inspire our young talents with the pleasure of applied knowledge. We offer career focused programs in demandful areas, and we shall employ various methods of teaching from in-class lectures to field placements to open up the doorway to greater opportunities.

The Canadian University of Bangladesh is located in the heart of Dhaka with it's City Campus also with a Permanent Campus at modern Dhaka Expansion project at Purbachal incorporating state of the art academic infrastructure and amenities. Each of our academic programs is inspired by the North American curriculum and education principles. This gives our students the opportunity to obtain a North American standard education that helps them to create his/her identity worldwide while experiencing the unique culture and values of Bangladesh right at their affordable range. North American especially the Canadian and Bangladeshi values of quality and friendship is reflected everywhere on our campus. Our diverse student community is building bridges across cultures in different hub of Bangladesh.
